Releasing Oil's Potential

Bona **Craft Oil™ 2K** – Performance, Versatility, Design

Introducing new **Bona Craft Oil 2K** - all the benefits of a natural oil finish plus the performance you expect from Bona. The elongated open time of Bona Craft Oil 2K along with its rapid initial cure makes it easier to work with and allows for light use in just 8 hours. While the unsurpassed viscosity penetrates deep into the hardwood floor in truly just one coat resulting in strengthened wear resistance and an organic looking floor with a rich patina. Blend or apply two colors for a custom look plus further protect a homeowner's investment by over-coating with any finish in the Bona Traffic® family.
